

Overview of the tournament registration process:

1. A tournament flyer is published with registration e-mail address and the maximum tournament size.
2. Clubs in the NEMWA Divisions scheduled for the tournament may begin e-mailing in the number of wrestlers at noon two weeks prior to the tournament.
3. The tournament director will reply via e-mail whether or not that the number of wrestlers has been accepted. Registrations will be accepted in a first-come, first-served fashion.
4. Registrations numbers can be revised upward (but not downward) until noon one week prior to the tournament.
5. A tournament is full when the first club that exceeds the maximum tournament size is accepted. Entire clubs must be accepted or rejected (no splitting clubs).
6. If a club is rejected from the tournament that it is scheduled for (according to the Division pairings) because the tournament is full, the club may register at an unscheduled tournament beginning at noon one week before the tournament.

Responsibilities for Tournament Directors

1. Tournament flyers must be distributed at least two weeks prior to the tournament.
2. Tournament flyers must have both a contact phone number (for questions) and an e-mail address (for indicating attendance).
3. Tournament directors must accept or reject e-mail registrations within 36 hours.
4. Tournament directors must reject any registrations prior to the official registration period.

Responsibilities for Coaches

1. Registration numbers must be accurate to within 5 people. For example, if 20 wrestlers are called in, the club must pay for at least 15 even if less than 15 weigh in. Going the other way, if 20 wrestlers are called in, a maximum of 25 wrestlers will be accepted from the club.
2. Registration numbers may not be sent prior to the times specified above. Tournament directors will reject registrations sent early.
